

God's Top Ten: Commandment 7: Adultery
D-Group Discussion Questions for Guys
April 6, 2011

BIG IDEA

As men, we are the leaders. When we are self-controlled (with God's help) we can protect and lead women and receive God's best.

OPEN DISCUSSION ?'S

What questions or comments do you have about what you heard tonight?

FOCUSED DISCUSSION ?'S

What does it take to become a champion in a sport?

How much time...focus...hard work...passion...discipline...etc?

Describe what it would look like if we decided to be champions of self-control and the way we lead girls/women.

Discuss how that decision would have an even bigger impact on our lives and others than if we dedicated ourselves to a sport.

REAL LIFE APPLICATION ?'S

1 Peter 5:8 *"Stay alert! Watch out for your great enemy, the devil. He prowls around like a roaring lion, looking for someone to devour."*

Where do you think Satan is attacking you the hardest?

What can you do to fight those attacks right now?

What can you do to prepare for future attacks (battles you have yet to face)?

Lets imagine that each of you will one day be married, and the person you will marry is a teenager somewhere else. How would you like them to treat the gift of sex? How would you answer their question of, "How far is too far?" for them to go with the person they are dating right now?

Now let's imagine that the person you will someday marry has an opportunity to see everything you do from now until you meet them...what you are looking at and what you are doing. Would you make a change?

Is Satan gaining a foothold in your life in any of the areas we discussed tonight?

Please pray for each other, and your future spouses.
